CDP Test Review

If you are planning on taking the Certified Development, Design and Construction Professional (CDP) certification exam in the future, sign up for the CDP Test Review Course, scheduled for Wednesday, December 3rd during the 2008 CenterBuild Conference in Phoenix. Go to the ICSC web site (www.icsc.org) under Education and Careers, Certification, and fax the registration form along with your fee of \$75 to ICSC. More than just a review, the course is designed to familiarize you, the candidate, with test-taking techniques, as well as provide a review of test specifications. A practice test will be administered under simulated test conditions and the scoring process for the examination will be reviewed. If you have any questions about the Test Review, please contact Madison Gross, ICSC Senior Manager, Education, at +1 646 728 3461 or mgross@icsc.org.

CDP Celebratory Dinner

This year, a special dinner to celebrate ICSC's newly designated Certified Development, Design and Construction Professionals (CDPs) will be held at the Arizona Biltmore for all CDPs, their companions, associates and those interested in the CDP professional designation to take advantage of this opportunity to network with those that have already earned the CDP designation. For more information about the CDP program, please contact Madison Gross, ICSC Senior Manager, Education, at +1 646 728 3461 or mgross@icsc.org.
