

## GENERAL SESSION SPEAKER BIOGRAPHIES

**GEORGE FEIGER** is CEO of Contango Capital Advisors based in Berkeley, CA, and an executive vice president of the firm's parent company, Zions Bancorporation.

Feiger has been a frequent commentator on the current financial climate, and has been featured in national media outlets including Fox Business News and in the *Wall Street Journal*.

Prior to directing Contango, Feiger served in a number of senior positions in the financial services sector. He was a senior advisor to the Monitor Group, global head of Onshore Private Banking for UBS, Global Head of Investment Banking at SBC Warburg and was a senior partner at McKinsey & Co. During his time in Europe, Feiger led the merger integration of the corporate finance businesses of Swiss Bank Corp. and SG Warburg, and oversaw the consolidation of SBC Warburg's sales and trading businesses.

Feiger was also a partner at Capco, a financial services consulting firm. He holds a PhD in Economics from Harvard University and was an associate professor of Finance at Stanford University's Graduate School of Business.

**ANDREW ZOLLI** is a leader of today's new generation of young futurists, a researcher and master synthesizer of leading-edge advances in an incredibly broad range of fields important for business strategy.

Andrew is the organizer of Pop!Tech, a conference that explores the social impact of technology and the shape of things to come. He is Futurist-in-Residence for both *Popular Science* magazine and Public Radio's *Marketplace* and also held that title at *American Demographics* magazine. He was named to *Fast Company's* Fast 50 for 2005, the magazine's annual compilation of emerging business leaders. *National Geographic* named him one of their Emerging Explorers.

He is a Visiting Fellow of the Woodrow Wilson Foundation and a member of the Global Business Network. He compiled and edited the *Catalog of Tomorrow*, a book that explores 100 trends and technologies for the next 25 years.

A former chief marketing officer and chief strategy officer at Siegal & Gale, he helped design and position the AmEx blue card, Netscape Navigator and the Weather Channel, plus products and services for a host of other important companies. He is the founder of the futures research and design consultancy Z plus Partners. Andrew combines knowledge with insight, wide-ranging interests with intellectual rigor.
