

Important Information for Students

The application deadline for ICSC Scholarships are FIRM and late application materials will not be accepted. All application materials are to be sent electronically with the exception of school transcripts and letters of reference. It is the applicant's responsibility to collect official transcripts and reference letters and to mail them directly to the ICSC Foundation. Transcripts and reference letters must be sent together in one envelope, regardless of the number of schools attended. If you are entering a new program/University, a copy of your acceptance letter is mandatory.
