## International Council of Shopping Centers

Founded in 1957, the International Council of Shopping Centers (ICSC) is the global trade association serving the retail real estate industry. ICSC is a not-for-profit organization with more than 72,000 members in 92 nations. Our members include shopping center owners, developers, managers, marketing specialists, investors, lenders, and retailers, as well as students, academics, and public officials.

ICSC works with more than 25 national and regional shopping center councils throughout the world. We assist our members in the development of their businesses through professional education, research, information, and action on their behalf on matters relating to legislation and regulation.
