

Shopping Centers: Canada's Marketplace

Shopping centers are Canada's marketplace, representing economic growth, environmental responsibility and community strength.

- There are approximately 1.7 million retail and real estate leasing or "shopping center-related" jobs in Canada
- One out of every 10 jobs in Canada is shopping center-related employment
- Shopping centers generate more than \$280 billion in retail sales annually in Canada
- Shopping center-inclined sales raise more than \$18.3 billion annually in sales tax revenue for the provinces

The International Council of Shopping Centers

Founded in 1957, the International Council of Shopping Centers (ICSC) is the global trade association of the shopping center industry. Its 70,000 members in Canada, the U.S. and more than 80 other countries include shopping center owners, developers, managers, marketing specialists, investors, lenders, retailers and other professionals as well as academics and public officials. As the global industry trade association, ICSC links with more than 25 national and regional shopping center councils throughout the world.
