The program offers a unique opportunity for up-and-coming professionals to meet and interact with their peers, share experiences and exchange ideas in a local and relaxed environment.

**About The Retail Network**

Good business is not just about where you've been it's about where you're going next. The next connection. The next lead. The next deal. The next move.

At The Retail Network, we bring retail real estate professionals together in innovative ways, helping to set the framework for the future of this industry. Because it's not just about the individual, it's about all of us. It's about how we come together to form a like minded community, one that's advanced not only by innovation, but by integrity, support and, most of all, passion.

We live the simple idea that together we are more. Together we accomplish the unexpected, unpredictable and unimaginable. We do this by creating environments that facilitate meaningful connections with others. Helping our membership push past the typical barriers of connecting deeply is our driving purpose.
