Join us for a private tour of three Miami hotspots! Their evolving development strives to foster the growth of start-up businesses, building on the Miami culture of innovation and entrepreneurship while creating jobs and spurring economic opportunity. Please note that the Miami Design District portion of the tour includes walking and culminates with a prix-fixe lunch at Cypress Tavern (included in the registration fee).

The Wynwood Arts District is home to over 70 art galleries, retail stores, antique shops, eclectic bars, and one of the largest open-air street-art installations in the world. The Wynwood Arts District Association has been legally operating since 2009 for the well-being and improvement of the Wynwood Arts District, one of the largest and most prominent creative communities in the United States. Taking over what used to be the warehouse and manufacturing district of Greater Miami, developers have rehabilitated neglected warehouses, shuttered factories, and other unused buildings, transforming them into the numerous art complexes, galleries, performing art spaces, restaurants, cafes, and other creative businesses. With the introduction of the Second Saturday Art Walk in the District and the arrival of the Art Basel fair in 2002, Wynwood has seen some unexpected growth in a relatively short period of time as it gets more and more attention by the locals as the go-to place for an alternative and more cultural nightlife in the City of Miami. Though the influence and relevance of the arts community in Wynwood is undeniable, new, creative businesses of all types are opening their doors in the District and encountering success. The Shops at Midtown Miami is a 645,000 sf retail property located in Dade County at N Miami Ave & NW 36th St in Miami, FL. The Shops at Midtown Miami features the largest critical mass of value-oriented retailers in the City of Miami. The center has helped spark the revival of the Midtown district by creating a link between the Design District and the Wynwood Arts District. The Shops at Midtown Miami is situated near the convergence of I-95 and I-195, just west of Miami Beach and north of downtown Miami. [www.shopmidtownmiami.com](http://www.shopmidtownmiami.com)

The Miami Design District is a neighborhood dedicated to innovative fashion, design, architecture and dining experiences. The Miami Design District is owned by Miami Design District Associates, a partnership between Dacra, founded and owned by visionary entrepreneur Craig Robins, and L Real Estate, a global real estate development and investment fund, specializing in creating luxury shopping destinations. Together, Dacra and L Real Estate actively transformed the once-overlooked area of Miami into a vibrant destination for residents and visitors by presenting the best shopping, cultural and culinary experiences within an architecturally significant context. The vision for a rejuvenated Design District—responsive to its historic, urban and tropical context—was codified in an urban master plan developed by the award-winning master planners Duany Plater-Zyberk, with the additional participation of architects including Walter Chatham, Hariri and Hariri, Juan Lezcano, Terence Riley, and Alison Spear. The Miami Design District embodies a singular dedication to the unity of design, fashion, art and architecture, and a commitment to encourage a neighborhood comprised of creative experiences.
