ICONS OF THE INDUSTRY
A NIGHT WITH
RICK RAGSDALE

Rick Ragsdale is an iconic figure in Michigan retail development. Rick, who recently retired from Kroger Co., has over the years graciously given his time and expertise to many an ICSC and ICSC Next Generation event. This program will focus on Rick’s career and what he has learned developing Kroger stores throughout the state of Michigan over the past 30 years. This is a unique opportunity to hear Rick’s candid accounts of deals past, his thoughts on the future of our industry and how we can learn from his many experiences.

This ICSC educational, networking and mentoring program is specifically designed for retail real estate professionals who are seeking to develop their careers and build relationships in the shopping center industry. The Next Generation program offers retail real estate professionals the unique opportunity to meet and interact with their peers, share experiences, exchange ideas and advice in an interactive yet relaxed environment. Next Generation is also open to seasoned professionals who wish to give back to the industry. Members and non-members are welcome.
