Chinook Centre - The Never Ending Project

February 2008 was the beginning of a \$300 million dollar expansion that added over 180,000 sqft to the footprint of Chinook, as well as a 1,200 stall heated, underground parkade. Over 60 new stores have opened in the expansion since September 29, 2010 taking Chinook to a new level with productivity recently hitting over \$1,100psf. In 2012 two of the property's three anchors closed, Zellers and Sears to make way for Target, scheduled to open in May and Canada's first Nordstrom store scheduled to open in the fall of 2014 Today, with over 200 retailers ranging from Old Navy to Burberry and Tiffany & Co., excitement is growing over what the future of Chinook Centre looks like. Join us for a tour of what we commonly are referred to as, the never ending project.
